

Even for products offering superior quality and competitive prices, it will be necessary to provide samples in order to penetrate the Japanese market. We can provide the necessary support to help you be successful in Japan.

We are a specialist Japanese company, fully equipped to store, pick, pack, and despatch your products. We have all the hardware and software necessary to meet the needs of customers.

Let us help you to penetrate the Japanese market with the following services:

- 1. We will hold sample stocks of your products.
- 2. We will despatch products on your behalf, according to your instructions.
- 3. We will collect payment for products on your behalf when required.
- 4. Price structure: Fixed fee

Quantity-based fee, by item or by case.

5. We can also establish a Japanese office on your behalf.

For further information, please contact us by e-mail.
